www.impc2026.com

Empowering a future-fit mineral processing industry

We would like to invite you to attend the
XXXII International Mineral Processing Congress
in Cape Town, South Africa from **18 - 22 October 2026**

IMPC 2026 will be hosted by the Southern African Institute
of Mining and Metallurgy (SAIMM)

WHY SPONSOR IMPC 2026?

IMPC 2026 is expected to gather over 1,000 professionals and academics from the mining industry representing approximately 50 countries. Top universities specializing in mineral processing, all major mining companies, plus the leading providers in the world of services and technologies will attend the congress.

The International Mineral Processing Congress has been in existence for more than sixty years. The very first congress was held in September 1952 in London. Subsequently, there have been 30 congresses in 17 different countries. The IMPC has been a major driving force for the promotion of scientific and technical knowledge. It is the most prestigious event in the field of mineral processing in the world today.

The IMPC now attracts close to 1000 delegates from across the globe. IMPC 2026 in Cape Town, South Africa invites your organisation to participate as a sponsor or exhibitor which will give you the opportunity to interact with international companies, thought leaders, institutions and academics in the mineral processing world and showcase your products and services to a global audience.
